

ROTARY CLUB OF SANTA FE

Xxxx dd, 2008

M

Dear ,

Welcome to the Rotary Club of Santa Fe! Let me add, both personally and as Chairman of the Membership Development Committee, that I am pleased you have decided to join the club, and I wish you great pleasure and satisfaction in your membership.

Individuals become Rotarians for many reasons. Almost always those reasons include one or more of the following: Professional Networking; the Opportunity to Serve Your Community; Personal Growth and Development; Friendship and Fellowship; Cultural Diversity; Good Citizenship; World Understanding; Entertainment; Youth Education; and Rotary's Ethical Environment. I hope you will find fulfillment in at least several of these important, life enhancing areas.

I have placed in your New Member Induction Kit a copy of the member information we already have in the club's database. Please check it for accuracy, and to be certain it is what you want shown in the club's database. Make any changes you wish to add to or correct your information. Please don't be bashful, especially about birth and anniversary dates (with or without year, as you prefer), accomplishments, etc. All of this information helps us get to know each other better, and to celebrate some of our life events. Please do this *now*, and then return your member information to me.

I have also placed in your New Member Induction Kit a receipt for your admission fee (not applicable to prior Rotarians), and your dues and fees for the portion of the Rotary year (which runs from July 1 thru June 30) which you elected.

Thanks very much for your help, and congratulations on your election to the world of Rotary.

Sincerely,

John R. Dowdle
Chair
Membership Development Committee
