Dear Lleta & Rotary Club of Santa Fe Members:

On behalf of the students, their families, and staff at the New Mexico School for the Deaf, I extend my heartfelt thanks to you for your generous gift in the amount of \$200.00 (Ck# 1709).

Your gift will be given to Dathan Archuleta during our upcoming Honor Night.

As you may know, NMSD is a state supported school; therefore, it cannot supply all the funds necessary to meet the diverse needs of our population. As we strive to prepare our students for the challenges of a changing society, it is critical that individuals such as you partner with us.

Your gift allows the New Mexico School for the Deaf Foundation to fund those extras programs that can make such a difference to our student's overall development and can truly enhance the quality of their lives. Thank you for making a difference!

Fondly,

Keri-Lynn McBride
Director of Development & Community Relations

Please note that for tax purposes, we verify that no goods or services were provided to you in exchange for this contribution. This letter will serve as a receipt for your contribution.

Vision: Students in New Mexico who are deaf or hard-of-hearing will experience a quality, communication based education with rigorous academic standards. Students will value lifelong learning and possess skills to become contributing citizens in a democratic, diverse and increasingly technological society.
